Comet Slim 67W

PD Wall Charger with GaN Technology

Key Selling Points

- **67W Fast Charging:** Experience ultra-fast charging at speeds up to 67W, ensuring your devices are powered up in no time. Perfect for laptops, tablets and smartphones.
- **Advanced GaN Chip:** The integrated Gallium Nitride (GaN) chip provides efficient power conversion, reducing heat and allowing for a more compact design. Enjoy reliable performance with cutting-edge technology.
- **Ultra-Slim and Portable:** At just 15mm, this charger is extremely slim, featuring easy storage and convenient portability. It fits perfectly in pocket, bag, or purse, making it perfect for on-the-go charging.
- **Changeable Plug:** With interchangeable plugs for EU, AU, UK, and TH, this charger ensures your devices can be powered in most countries around the world, making it ideal for international travelers.
