

Circlet Blink

60W DTY Braided USB-C to USB-C Cable

Key Selling Points

- **60W High Power Delivery:** Combined with USB-C fast charger, the cable delivers up to 60W fast charging for your phones, tablets, laptops and other compatible devices.
- **Enhanced Durability:** The aluminum material for connector is extremely resistant to breakage and damage, while DTY (draw texturing yarn) material is braided for the cable enclosure, which likewise is capable of bearing extended times of bends and pulls.
- **480Mbps Fast Transfer:** The 480Mbps fast speed allows you to transfer large files rapidly, whether you're sharing high-definition videos, photos, or complex work documents.
- **Soft and Comfortable Feel:** The premium enclosure material provides a comfortably soft feel, and together with an aesthetic design, it stands out with an excellent user experience.
