

# MagFusion Reel 5000

5000mAh Qi2 Magnetic Wireless Power Bank with Retractable Cable

## Key Selling Points

- **Qi2 Certified:** The Qi2 standard enables you to enjoy fast wireless charging up to 15W for your compatible phones, with higher efficiency, faster speed, and better safety than the last generation.
- **Simultaneous Charging For 3 Devices:** Designed with 1 wireless charging plate, 1 retractable cable, and 1 USB-C port, this power bank is capable of providing fast charging for 3 devices simultaneously, eliminating extra cables and simplifying your charging pattern.
- **Strong Magnetic Force:** The strong magnets ensure your device is perfectly aligned with the charging coil, and securely holds your device in place, even if it's bumped or moved slightly, making charging hassle-free.
- **Built-In Retractable Cable:** The power bank is equipped with a built-in retractable cable that has gone through over 10,000 times of retraction tests for enhanced durability, delivering a convenient on-the-go charging experience for users.
