

MagFusion L Pro

Foldable 2-in-1 Magnetic Wireless Charger

Key Benefit

- Compact & Portable: Designed with unique dual-layer sticky note form factor and premium metal hinge pin, handy to meet the dual needs of portability and versatility.
- Versatile 2-in-1 design: Work as both a wireless charger and phone stand. Fast charge 2 phones at a maximum speed of 25W respectively.
- Strong magnetic force: Always ensure your devices keep attached and connected to the wireless charger. Never fear your phone would drop off in any circumstances.
- Qi2.2 Certified: Certified by the Qi2.2 standard to ensure compatibility and reliable charging for Qi-supported devices.

Bullet Selling Point

- Versatile 2-in-1 design: charge 2 iPhones
- Qi2.2 certified
- 25W wireless charging
- Strong magnetic force
- Universal USB-C input port
- Compatible with MagSafe
- Support Samsung fast charging
- Metal stand & paint finish
