

MagFusion Vista 10000 Mix

10000mAh Qi2.2 Magnetic Wireless Power Bank with Multiple Functions

Key Selling Points

- **Qi2.2 Certified:** The Qi2.2 standard enables you to enjoy fast wireless charging up to 25W for your compatible phones, with higher efficiency, faster speed, and better safety than the last generation.
- **35W Wired & 25W Wireless Output:** This power bank offers you two flexible alternative methods to fast charge your phone and other devices. Wired or wireless, always keep your devices powered up.
- **Convenient Built-In Cable:** The power bank is equipped with 1 built-in cable that provides on-the-go fast charging anytime and anywhere hassle-free. No extra cords needed, Streamlining on-the-go charging.
- **Built-in Foldable Stand:** The convenient foldable stand satisfies your entertainment needs as it allows you to watch videos while charging, no matter horizontally or vertically.
- **Smart Digital Display:** The premium power bank comes with a smart digital display that enables users to check power and battery status in real time, which adds aesthetic appeal and great convenience.
- **Strong Magnetic Force:** The strong magnets ensure your device is perfectly aligned with the charging coil, and securely holds your device in place, even if it's bumped or moved slightly, making charging hassle-free.

Product Information

Model: PB-MS24

Capacity: 10000mAh

USB-C Female Input: 5V= 3A / 9V= 3A / 12V= 2.5A / 15V= 2A / 20V= 1.5A (30W)

USB-C Cable Input: 5V= 3A / 9V= 3A / 12V= 2.5A / 15V= 2A / 20V= 1.5A (30W)

USB-C Female Output: 5V= 3A / 9V= 3A / 12V= 2.92A / 15V= 2.34A / 20V= 1.75A (35W)

USB-C Cable Output: 5V= 3A / 9V= 3A / 12V= 2.92A / 15V= 2.34A / 20V= 1.75A (35W)

Wireless Output: 5W / 7.5W / 10W / 15W / 25W Max

Dimensions: 107×69×22.5mm / 4.21"×2.72"×0.89"

Weight: TBA

MSRP: \$59.99
