Discover the Tool Backpack Advanced, a robust and practical toolbox in the form of a backpack. Designed for installers, technicians, and construction site workers, this backpack is equipped with various pockets to store hand tools, nails, hammers, screwdrivers, and more. The robust main outer fabric is made from recycled PET bottles, making it a durable choice. Features include a padded compartment for up to a 16" laptop, a spacious main compartment, an extensive tool organizer, and a crush-resistant glasses compartment. Lockable zippers on the main compartment ensure your tools stay secure. The backpack also boasts an air-flow back padding, comfort-fit shoulder straps, large reinforced handles for easy carrying, and an easy-to-clean bottom.
