AI Wireless Mouse

M30 AI Connect

M30 AI Connect is a smart wireless mouse designed for quiet, comfortable and efficient everyday work. The dedicated AI key gives you quick access to Copilot, helping you move faster through tasks such as searching, writing, summarizing and organizing your work. Paired with reliable 2.4GHz wireless connectivity, silent switches, 7-level DPI adjustment and customizable shortcut buttons, it gives you smooth control while keeping your workspace calm and focused. To top it off, the ergonomic design, and up to 12 months battery life, make it a practical choice for daily productivity.

► Reliable 2.4 GHz wireless connection

Carefree wireless: The proven advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

► Adjustable DPI and shortcut control

Work with the speed you prefer: 7-level DPI adjustment up to 4000 DPI lets you adapt the mouse to different tasks while customizable buttons give faster access to everyday shortcuts.

► Access your custom AI portal or just Copilot

Smarter work in one click: the dedicated AI key helps you speed up everyday tasks such as searching, writing, summarizing and organizing your work. Customize your own AI workspace with the user-friendly Rapoo AI portal; or simply access Copilot in a press of a button.

► Silent switches for quiet work

Click with less noise: silent switches reduce distractions, making M30 AI Connect ideal for shared offices, home workspaces and focused environments.
