SKU 95536,95692,95786,
95960B,95692B,95786B

Product Status	2026 Mar. Launch
Product Strategy	All Channel
Recommend Price	\$19.99

World's Smallest Size for Ultimate Portability (Smallest in the industry)

It can be easily slipped into pockets or backpacks, making it hassle-free to carry during business trips or travels.

45W All-Round Power for Multi-Device Compatibility

It supports mainstream smartphones, tablets, and laptops.

GaN Chip for High-Efficiency Quick Charging

It quickly completes protocol handshakes and instantly activates high-efficiency quick charging.

Safety Protection for Worry-Free Use.

Adopts VO-grade fire-retardant material (the highest level for fire safety), featuring flame-retardant and high-temperature-resistant properties to eliminate potential safety hazards.

High-Molecular Skin-Friendly Coating for Comfort & Texture.

The body is coated with a high-molecular skin-friendly layer, offering a smooth, skin-friendly touch and resisting fingerprint smudges.
