

UGREEN

X860-95437B

Nexode Air Charger 65W USB-C

Features:

Ultra-Compact Design for Ultimate Portability

Engineered to be one of the smallest in its class, it slips easily into pockets or bags—perfect for travel and daily carry.

65W Powerful Output for Multiple Devices

Delivers up to 65W of power, supporting smartphones, tablets, and even laptops with ease.

GaN Technology for Efficient Fast Charging

Equipped with an advanced GaN chip that enables faster protocol handshakes and highly efficient power delivery.

Advanced Safety Protection

Built with V0-rated flame-retardant materials for superior fire resistance and high-temperature durability, ensuring safe and reliable use.

Premium Skin-Friendly Coating

Finished with a high-molecular coating for a smooth, comfortable touch while effectively resisting fingerprints.

Specifications:

Package include:

- 1 * Charger
- 1 * Charging Cable
- 1 * User Manual

Charging Port:

- 1 * USB-C

USB-C Max Output

65W

Function:

Charging & Data Sync

65W Ultra-Fast Charging

+ 30 min.
MacBook Air 55%
iPhone 12 Pro Max 68%

12-traps laadbeveiliging

- Overvoltage
- Overcurrent
- Overload
- Overpower
- Short Circuit
- Surge
- Over-Temperature
- Anti-Interference
- Flame-Retardant (V-0)

GaNInfinity™ Tech

Up to
93%
conversion efficiency

- Smaller and lighter structure
- Lower heat generation
