## Magnetic 7-in-1 USB-C Hub

### Features:

#### Expand 4K Video Output

Support HDMI output up to 4K resolution, easily connecting laptops, phones, or tablets to monitors or projectors for immersive viewing or professional presentations.

#### Enable High-Speed Multi-Port Transfer

Equipped with multiple 10Gbps USB-A/C ports, connect mice, keyboards, flash drives, or external hard drives simultaneously, ensuring lightning-fast data transfer for multitasking.

#### Support Professional-Grade Card Reading

Compatible with SD/TF 4.0 cards from cameras, drones, and other devices; also supports Apple ProRes recording from iPhone 15/16 series directly to external storage.

#### Provide 100W PD Fast Charging

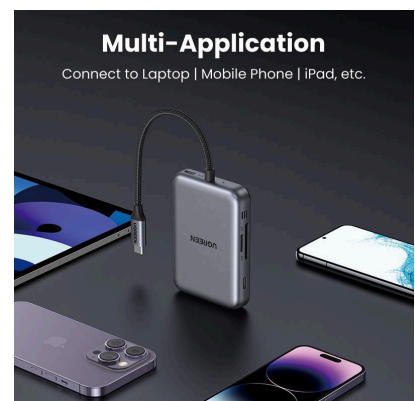

Deliver up to 100W power via USB-C PD, allowing devices to charge while using the hub, keeping laptops, phones, and tablets powered during work or entertainment.

#### Compact, Magnetic, and Cross-Device Design

Integrates magnetic mounting, broad USB-C device compatibility, and all-in-one features—data expansion, video output, fast charging, and card reading—into a portable, clutter-free design for efficient work and creative use.
