UGREEN Magflow Pro 2-in-1Wireless Charger with Cooling System

W776 Information Page

Qi2 25W Magnetic wireless fast charging, Charges 2 devices simultaneously

Effective and fast charging experience, top up your iPhone 17 Pro Max to 50% around 30 mins using a PD 45W or higher charger and a 60W CC cable; charge both your phone (*25W Max for iPhone 16 and later series, 15W Max for iPhone 12-15 serie) and earbuds (5w) at the same time.

Dual Cooling System: Integrated cooling & heat dissipation

Active thermal reduction via TEC semiconductor AirJet Cooling system;

Silent turbo fan and ultra-slim glass magnetic pad bring superior cooling efficiency, maintaining optimal temperatures to preserve battery health.

Premium Operating Experience

1. Smart Display: Real-time charging status display shows wattage and temperature for safer, more reassuring charging.

2. Micro Switch: the side microswitches control the activation of the air cooling mode and page switching on the display separately, allowing adjustable operation on demand.

3. Adjustable Stand: tilt up & down for your most comfortable viewing angle.

Strong Magnetic Attachment

Using Apple's same standard magnets（16 *N48H）, high temperature resistant, long time use without falling out of magnetism，around 8N strong suction force.

Solid and Premium feel, easy and reliable to use

Premium build quality with a silver painted finish, matches various desktop setups, delivering a convenient and reliable user experience.
