Finder Slim Pro

Features:

Ultra-Slim Dual-System Tracker

Designed in a card-thin form factor, this tracker works seamlessly with both Android and iOS devices, making it easy to carry in wallets, bags, or attach to everyday essentials.

Sound-Assisted Nearby Finding

Trigger an audible alert through the app to help locate nearby items quickly, saving time and reducing frustration when things are misplaced around you.

Smart Separation Alerts

Receive instant notifications when an item is left behind, helping you stay aware of its status and easily check its last detected location for quick recovery.

Shared Access for Item Tracking

Share device access with trusted family or friends, allowing collaborative tracking and added convenience when locating items together.
