## SCH35-PS5-RGB

### EG SCH35 COOLING & CHARGING RGB BASE FOR PS5 & PS5 SLIM

Compatible with PS5 & PS5 Slim

- Tailored to accommodate both PS5 and PS5 Slim
- Sleek and Slim design
- Touch Control Screen
- Cooling Fan System
- 2 x Charging Slots for PS5 Controllers
- Charging Indicators Status Display
- Vibrant RGB lighting bars
- 3 x USB Ports

Introducing the EGOGEAR SCH35 Glacier-Glow Charging Base, our cutting-edge charging solution, meticulously crafted to seamlessly accommodate both the PS5 and PS5 Slim consoles.

Key Features:

**Multi-Function Integration:** This innovative charging base combines multiple functionalities for enhanced convenience and efficiency.

1. **Touch Control Screen with High Precision Microprocessor Chip Control Circuit:** Enjoy intuitive control and precise charging performance.
2. **2 x Charging Slots for PS5 Controllers:** Keep your controllers powered up and ready for action.
3. **Cooling Fan System:** Prevent overheating and maintain optimal performance during intense gaming sessions.
4. **Three-Speed Wind Speed Adjustment and Power Failure Memory Function:** Customize your gaming environment with adjustable wind speeds while the power failure memory function ensures uninterrupted operation.

**Charging Indicators Status Display:** Stay informed about the charging status of your controllers with clear and visible indicators, ensuring you're always ready to play.

**RGB Super Cool Colorful Ambient Light Bar:** Immerse yourself in vibrant RGB lighting that adds flair to your gaming setup, creating an atmospheric gaming experience.

**Ultra-Thin Cool Design:** With its sleek and slim design, the SCH35 charging base seamlessly integrates into any gaming setup, combining functionality with style.

**3 x Charging USB Ports:** Expand your charging capabilities with three additional USB ports, allowing you to charge multiple devices simultaneously.

Additional Accessories Included:

- 
- 1 x Headset Hook: Keep your gaming headset within reach for quick access during gameplay.
  - 1 x Games Organization Storage Unit: Neatly store and organize your game collection for easy access.

Experience unparalleled convenience and performance with the EGOGEAR SCH35 Glacier-Glow Charging Base. Elevate your gaming setup and stay ahead of the competition with this essential accessory.
