Key Selling Points

- Increased strength, durability, and scratch-resistance come from our ion exchange technology which improves surface compression.
- The Eyesafe[®] layer filters harmful blue light which can contribute to digital eye strain.
- The Eyesafe[®] layer maintains the true colours of your device's screen—no yellowing.
- Anti-bacterial technology that kills 99.99% of the most common surface bacteria is built into the glass and never wears off.
- ClearPrint™ is a revolutionary oil-dispersing treatment exclusive to Glass Elite that makes fingerprints nearly invisible.

All InvisibleShield[®] screen protectors come with a limited lifetime warranty*.
