

JBuddies Studio ON-EAR KIDS HEADPHONES

DESCRIPTION:

Comfort for home or school. Style to suit any teen. JLab's on-ear Cloud Foam cushions offer ultimate comfort for homework session focus without the rockstar price tag. The smooth-sliding metal adjustments and feather-light build give the long-lasting, all-day comfort kids require. Not to mention they're tested and approved for safe listening for kids with their built in volume-limiter at 85dB.

FEAUTRES:

- 3.5mm Shareport AUX cord allows you to share audio with another pair of headphones
