

MagFusion L

Foldable 2-in-1 Magnetic Wireless Charger

Key Benefit

- Compact & Portable: Designed with unique dual-layer sticky note form factor, handy to meet the dual needs of portability and versatility.
- Versatile 2-in-1 design: Work as both a wireless charger and phone stand. Fast charge your iPhone and AirPods at a maximum speed of 15W and 5W respectively.
- Strong magnetic force: Always ensure your devices keep attached and connected to the wireless charger. Never fear your phone would drop off in any circumstances.
- Qi2 Certified: Certified by the Qi2 standard to ensure compatibility and reliable charging for Qi-supported devices.

Bullet Selling Point

- Versatile 2-in-1 design: charge iPhone and AirPods
- 15W wireless charging
- 15N Strong magnetic force
- Universal USB-C input port
- Compatible with MagSafe
- Slim 15mm folding thickness
- Metal stand & paint finish
