

# BEYOND ANC ELITE

True Wireless Earbuds with Hybrid ANC

## Key Benefit

- Hybrid Active Noise Cancelling Technology: The ANC technology reduces up to 40dB noise, allowing you to enjoy your music without distractions for a more immersive and enjoyable listening experience.
- 10mm Composite Drivers: Deliver high-quality audio with balanced, clear, crisp sound and enhanced fidelity.
- 30 Hours of Battery Life: Combined with charging case, it provides an ultra-long battery life of up to 30 hours to ensure the earbuds keep playing all day long.
- Comprehensive App Control: Customize your listening experience with adjustable EQ settings.

## Bullet Selling Point
