

Spark Sling 10000 Lite Plus

Slim Power Bank with Built-in USB-C Cable

Key Benefit

- Slim and Portable: It's well designed to be ultra-thin for easy storage and convenient portability, which fits comfortably in pockets, bags, or purses, making it perfect for on-the-go charging.
- 22.5W Fast Charging: Charge your phones and tablets at a maximum speed of 22.5W.
- Safe and Reliable: Certified by international safety standards, including CE and FCC, as well as equipped with overcurrent and overheating protection to ensure your charging safety.
- Built-in USB-C Cable: The power bank comes with a USB-C cable to charge faster and eliminate the inconvenience to carry an extra cable.

Bullet Selling Point

- Built-in USB-C cable
- 10000mAh large capacity
- Compact and portable
- 2*USB-C and 1*USB-A output
- 22.5W PD charging
- Battery level indicator
- Multiple protections including overcurrent protection, overvoltage protection, and short circuit protection
