

Spark Mini 10000

Compact Fast Charging Power Bank

Key Benefit

- **Ultra-Compact Design:** This power bank is incredibly small, fitting comfortably in the palm of your hand and smaller than a credit card, making it the perfect portable charging solution for people on the go.
- **High Capacity:** Despite its compact size, this power bank boasts an impressive 10000mAh capacity, allowing you to charge most smartphones multiple times before needing to recharge the power bank itself.
- **Fast Charging:** With 20W output through the USB-C port, this power bank enables quick and efficient charging for your devices, minimizing downtime and keeping you connected when you need it most.
