

Glass Elite VisionGuard

Maximum Strength & Blue Light Filtration

5X
STRONGER

5X Stronger

Glass Elite Visionguard is 5X stronger than the average screen protector.

Protective Eyesafe® Layer

Eyesafe technology filters 20% of peak toxic blue light at 435-440nm, protecting from the effects of over exposure to high-energy blue light.

Made with Recycled Glass

Glass Elite is made with at least 30% recycled glass.

Maximum Scratch Prevention

Ion exchange technology increases surface compression for increased strength and scratch-resistance.

ClearPrint® Technology

This revolutionary, oil-dispersing treatment exclusive to Glass Elite* disperses the oil from your fingerprints, making them nearly invisible.

Anti-Microbial Technology

Glass Elite Visionguard contains anti-microbial properties that protect the screen protector by protecting against degradation from microorganisms.*

EZ Apply® Installation

EZ Apply® tabs and a drop-in installation tray made from 100% post consumer recycled materials make applying your InvisibleShield simple and accurate.

Lifetime Warranty

If your InvisibleShield ever gets worn or damaged, we will replace it for as long as you own your device.
