LIBERA Rechargeable Mouse - Wireless, Bluetooth, Silent, rubber-black

The rechargeable, wireless LIBERA mouse combines premium technology and comfort for an unparalleled user experience. With a dual connection option - 2.4GHz (1 profile) and Bluetooth (2 profiles) - our mouse offers the flexibility to seamlessly connect to various devices, whether laptop or tablet, the LIBERA is always ready for use. Silent main buttons ensure almost quiet yet precise clicks. What's more, the LIBERA features an additional horizontal scroll wheel, making navigating through documents and websites child's play. Worrying about batteries is also a thing of the past. Our LIBERA is rechargeable, saving you the hassle and cost of disposable batteries. You can continue working without any problems while charging. The compact shape, with its rubberized surface, has been specifically designed to provide maximum comfort and grip.
