VELOX Rechargeable RGB Gaming Mouse - Wireless, black

The rechargeable, wireless VELOX gaming mouse from Speedlink catapults gameplay to a new level and provides limitless freedom. With a precise, adjustable sensor with up to 4,800 dpi and a powerful 400 mAh lithium-ion battery, long, uninterrupted gaming sessions are guaranteed. The mouse scores with a maximum polling rate of 1,000 Hz and a tracking speed of up to 30 ips. Thanks to the simple installation, the mouse is ready to use immediately - perfect for instant gaming fun. The discreet lighting on the base of the mouse and the illuminated logo on the back adds a personal touch to your setup. The configuration software allows you to define macros, as well as customize button assignments, different lighting modes and save different profiles to perfect your gaming strategy.
