LEGATOS Stereo Gaming Headset - for PC/PS5/PS4/ Xbox Series X/S/Switch/OLED/Lite, black

The LEGATOS Stereo Headset for PC/PS5/PS4/Xbox/Switch provides the soundtrack for action-packed games and treats your ears to pleasant comfort during multiplayer gaming. Particularly soft ear cups, a padded, flexibly adjustable headband and the adjustable microphone for optimum voice quality make gaming and communication just as enjoyable as the balanced stereo sound. Thanks to the practical Y-adapter, the headset can be connected both via a 3.5 mm connection and to devices with 2x 3.5 mm connections.
