UNIVERSAL WIRELESS STYLUS

Aluminum Alloy Design | Tilt drawing | Palm Rejection

HIGHLIGHTS

Compatibility: Vinnic Universal Wireless Stylus is exclusively compatible with iPads released in 2018 or later. The compatible models include: **iPad Pro 13"** (2024), **iPad Pro 12.9"** (3rd-6th Gen.), **iPad Pro 11"** (All Gen.), **iPad** (6th-10th Gen.), **iPad Mini** (5th/6th/7 Gen.) , **iPad Air** (3rd-6th Gen.)

Wireless Charging: With the exception of the **iPad Pro 13"** (2024), which does not support wireless charging, all other compatible models are equipped to support wireless charging functionality.

Tilt Recognition: This feature is essential for drawing and writing applications that necessitate varying line thicknesses and shading techniques.

Support Palm Rejection : Palm rejection allows tablets to distinguish between a stylus and a palm, preventing accidental touches. Users can rest their hands on the screen without needing anti-friction gloves.

Real Time Battery: Accurate battery level display on iPad connection.
