

SACA PEAK

MULTI-FUNCTION SOLAR POWERBANK 10K + FULL LED

20,000mAh | Full LED Panel | 3X USB Output

Multiple USB Charging Ports

2 USB-A + 1 USB-C ports let you charge 3 devices at once. Now, you can easily charge any USB-Compatible devices. Strong lithium-ion battery can recharge up to 3000 cycles. Your portable solar power bank can keep your critical devices powered up in a pinch

Catch the Sun

With its built-in solar panel, you can charge up wherever you are – no matter how remote or isolated – so that you never have to worry about running out of battery when on the go!

IP65 Waterproof & Durable Design

Vinnic's SACA PEAK Solar powerbank is the perfect accessory for outdoor activities. Its tough construction, IP65 water proofing and V0 Fire Retardant features make it ultra durable, so you can relax and enjoy your adventures knowing that your device will be safe from the elements.

Ideal For Various Outdoor or Travel Activities

Featuring high-quality and durable outdoor functions, including a full LED outdoor camping lights design, it's perfect for those who love the outdoors.
