

SACA PEAK

SACA PEAK SOLAR WIRELESS POWERBANK 10K + LED

10,000mAh | LED Panel | Wireless Charging | 3X USB Output

3 Ways to Power Your Devices

2 USB-A + 1 USB-C ports and wireless charge, let you charge 4 devices at once. Now, you can easily charge any USB-Compatible devices. Strong lithium-ion battery can recharge up to 3000 cycles. Your portable solar power bank can keep your critical devices powered up in a pinch

Catch the Sun

With its built-in solar panel, you can charge up wherever you are – no matter how remote or isolated – so that you never have to worry about running out of battery when on the go!

IP65 Waterproof & Durable Design

Vinnic's SACA PEAK Solar powerbank is the perfect accessory for outdoor activities. Its tough construction, IP65 water proof and V0 Fire Retardant features make it ultra durable, so you can relax and enjoy your adventures knowing that your device will be safe from the elements.

Charge in the Rain with Wireless Charging

Vinnic's SACA PEAK Solar powerbank is the perfect accessory even in the rain. Its IP65 water proof rating allows you to wirelessly charge your device even in wet conditions.

Ideal For Various Outdoor or Travel Activities

Featuring high-quality and durable outdoor functions, including a LED outdoor camping lights design, it's perfect for those who love the outdoors.
