

Sprint X 27.6K 140W

140W Ultra-Fast Charging Power Bank with Smart Digital Display

140W super fast Compatible with input & output MacBook Pro 16"

Smart digital display

Key Benefit

- Incredible Charging Speed: The 140W PD ultra-fast charging fills up even the biggest of devices in no time, including large laptops. What's more, this high-powered charging is available in both directions, so you can also fill up the vast 27600mAh capacity of the power bank faster than you can imagine.
- Wide Compatibility: Developed to offer the widest possible compatibility, this power bank can be used to charge even the powerful MacBook Pro 16", alongside a wide variety of other laptops, tablets, phones, and other devices. Keep all your devices charged, no matter their make or model.
- · Smart Digital Display: Stay on top of all aspects of charging progress using the bright and easy-to-read digital display. Keep track of every detail even when charging three devices at once.
